Promotional Educational Activities Committee Report

Chair: Michelle Garlock

This time of year the Promotional Educational Activities Committee is busy processing Student Award for Excellence in Language Study.

Many schools offer achievement awards to their outstanding students. The Executive Board of the Ohio Foreign Language Association believes that language students should be among those recognized; accordingly it offers the Award for Excellence in Language Study to be awarded throughout the state of Ohio.

Only members of OFLA may submit nominations. Any teacher wishing to recognize outstanding student achievement with the Award should complete this nomination form. *Each school is eligible to make one award for each language taught.* **Nominees must:**

- be graduating students (graduating from any level, e.g., elementary, junior high, high, college)
- be enrolled in the most advanced course of the language for which the award is being made.
- show evidence of interest in language and international studies beyond work in the classroom.

The committee will continue to accept nominations until April 15, 2010. Please allow four to six weeks for delivery of the award certificate. The names of students receiving awards and their nominating teachers and schools will be published in the Fall issue of The Cardinal.

The committee is also always looking for ways to help promote language study if you have anything that the Promotional Educational Activities Committee can help you promote please contact the chair.

Respectfully submitted,

Michelle Garlock

Promotional Educational Committee Chairperson
